**Spyntec Hub Conversion Kit Dodge Ram HD**  
So I'm finally posting my Ford hub conversion I did on my 99' Ram Cummins. This is in no way a hardcore wheeler, just a towrig, but it's Dodge spec. and figured this info could be used with some (hardcore) parts for the wheeling crowd. First start with one Dodge ram. Unit bearings still good at 160k factory balljoints decent, had a little play.

2007 Ram 2500. Not a hardcore fabbing or build question.... Anyone tried the Yukon kit out there that converts the modern AAM axle to manual hubs. Of course it's stupidly expensive, but does anyone here have experience with the kit, good or bad? Link to kit: Yukon Spin Free Locking Hub Conversion Kit 00-09 Dodge Ram SRW
