Director of Religious Studies at New York University, wrote a book, *Finite and Infinite Games*, that explores the difference between approaching life as a game with an end, or a game that goes on forever. According to Carse, playing to win isn't nearly as satisfying as playing to keep the game going.

Play the Game of Life

In the book *Finite and Infinite Games*, James Carse says there are two types of games in life: "One could be called finite, the other infinite. A finite game is played for the purpose of winning, an infinite game for the purpose of continuing the play." When I first read this, it seemed abstract.

On Playing Infinite Games - Four Pillar Freedom

A finite game is played for the purpose of winning, an infinite game for the purpose of continuing the play.

2 If a finite game is to be won by someone it must come to a definitive end. It will come to an end when someone has won.
