Love Medicine was her first novel, published in the mid-80s. This one, I understand, was revised and expanded at least a couple times since it's original publication date. One might think that must be hard to do, and I think in a traditional novel

Love Medicine by Louise Erdrich - Goodreads

A novel-in-stories about passion, family, and the importance of cultural identity, Love Medicine examines the struggle to balance Native-American tradition with the modern world. Using an eclectic range of comic and tragic voices, Louise Erdrich leads the reader through the interwoven lives of two Chippewa families living in North Dakota.

Love Medicine | NEA

Originally released in 1984, Love Medicine is Louise Erdrich 's first published novel. Initially, Erdrich wrote "The World's Greatest Fisherman" after she earned her master's degree in creative writing, and this short story later became the basis for the entire novel.

Love Medicine Study Guide | GradeSaver

Love Medicine is a novel composed of several interrelated short stories. The primary characters live on a Chippewa reservation in North Dakota. The novel spans the years 1934-1984 and depicts the characters at different times in their lives. In "The World's Greatest Fisherman", the novel opens with the death of June Morrissey in a snowstorm.
