Reflective Teaching of History 11-18 1st edition ...

Reflective Teaching of History 11-18 form many of the key principles underpinning the 'new' history over sixty years later. Although more systematic research is needed to evaluate the extent to which these ideas permeated history teaching, it is likely that people like Keatinge were the exception, rather than the rule, as far as teaching methodology was concerned.

Teaching history well - a reflection As we come to the end of a very long term and the end of a very long year, Anne Hudson and Gabrielle Reddington share an important conversation. It will hopefully summarise messages received in 2020 and provide food for more thought as we unwind in the break and start to look ahead to 2021.

Teaching history well - a reflection - OBHD

You actually took a rather boring subject, History, and made it interesting." In 40 years of teaching I have received hundreds of comments and feedback from students, many like this one from the second half of the survey that I taught last spring—backwards, as Annette Atkins suggested in her inaugural article for Perspectives.

Four Reflections on Teaching and Learning History ...

Reflective teaching is a process where teachers think over their teaching practices, analyzing how something was taught and how the practice might be improved or changed for better learning outcomes.
