First, make sure your high efficiency furnace's vents are not obstructed. Though people using the PVC vent screens sold in our store are less likely to encounter this problem, others with wide open vents are more likely to suffer from occasional blockages caused by leaves, animals and insects. Ice may also cause a blockage, which is normally an indication of improperly sloped PVC vent pipes.

### Furnace Lockout Reset Procedure and Manufacturer Contacts

Rheem Tankless Water Heater Cost - Rheem water heaters average \$170 to \$575 for electric and \$670 to \$1,950 for gas.
